

Mentoring Workshop

Why Join the Mentoring Workshop?

This workshop is an invaluable opportunity for those looking to become mentors within MSF. It's designed to prepare new mentors by providing an in-depth understanding of mentoring, including its history and ethics. Participants will gain practical skills essential for starting, managing, and concluding mentoring relationships effectively. This workshop is accredited by European Mentoring and Coaching Council (EMCC)

What is Done in the Workshop?

Participants will be introduced to the basic principles and definitions of mentoring and coaching within MSF. The workshop includes daily content and activities accessible via the online course, with synchronous sessions conducted on Zoom. Facilitators guide participants through the learning process, focusing on building, maintaining, and closing mentoring relationships, understanding the digital ecosystem, and utilizing mentoring tools.

For Whom is the Workshop?

The workshop is tailored for individuals within MSF who aspire to become mentors. It's ideal for those committed to understanding the roles, responsibilities, and ethics involved in mentoring.

REQUIREMENTS

Mentors are accepted in the pool for:

- Their relevant field experience with MSF
- The leadership qualities they demonstrate.
- Their ability to develop others.
- Their motivation and commitment to serve as mentors for a minimum of two years.
- MSF EXPERIENCE IN THE FIELD
- 2 years or 4 missions minimum in one or more of the positions/deputy positions that the programme supports.

Note.: (Requirement may differ from different OCs and MSF section).

Selection of participants is done through the Mentoring Focal Persons of the different programs. Depending on your affiliation you will find the contact person and email address in the table below for more information or to apply for a workshop.
